NOTICE

No.3313 dtd.06.11.2020

Pursuant to Odisha Right to Public Service Act-2012, the electrical licensing services have been activated in website “eicelectricityodisha.nic.in” and “edistrict.odisha.gov.in”. All the eligible applicants interested to obtain **Supervisor Certificate of Competency (SCC)** or **Workman Permit** or **Electrical Contractor License** are requested to apply for the intending Certificates or Permits or Licenses through these new platforms. Further, the existing Supervisors, Workman permit holders and Contractors are also requested to avail the service of renewal of their respective certificate of competency, permits and licenses by applying for the same in these new platform. For convenience, more transparency and timely delivery of services, these online services modules have been designed, developed and dedicated to the public. Application fee and Renewal fee shall be remitted through integrated IFMS PORTAL while filing the online application. Hence no separate challan shall be made by the applicant as practised earlier. Office of Electrical Licensing Board of Odisha shall not be held responsible for consideration or refund of fee for any such challan made other than inbuilt payment mode after the date of publication of this notice.

Furthermore, it is hereby intimated to all concerned that no application towards issue and renewal of Supervisor certificate of competency /workman permit/contractor license shall be entertained after the date of publication of this notification except those who deposited the challan & could not applied online & offline. Hence, all the existing supervisors, workman permit holders and contractor license holders are requested to apply for issue as well as renewal of the above said services in the newly provided application instead of existing one in order to avoid inconvenience (Existing platform is closed with the immediate effect on the date of publication of this notice).
